Foreclosure Prevention Workshop

.....

FOR STRUGGLING HOMEOWNERS
Open to the Public

Many Illinoisans are contending with problematic mortgages, falling home values, economic strain and rising home foreclosures. The Illinois Association of REALTORS®, the American Foreclosure and Mortgage Relief Foundation and the Partnership for HomeOwnership, and Smart Money participating banks have organized this foreclosure-prevention workshop to give concerned borrowers an opportunity to learn about available loan assistance programs. Borrowers will be able to learn about the options that may be available to them, and ideally begin steps to improve their situation and avoid foreclosure. In addition to loan servicers, local housing counselors will be available to assist borrowers. Related information will also be available.
